Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Saturday 13 Nov 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Bright start. Patchy rain developing.

Today:
A dry and bright morning across the east and north, but cloud thickening from the west, bringing light rain to Fermanagh towards midday. Patchy rain will push east through the afternoon. Maximum temperature 13 deg C (55 deg F).

Tonight:
Cloudy and overcast with mist and drizzle, fog becoming extensive over the hills. A mild night and breezy at times around the coast. Minimum temperature 9 deg C (48 deg F).

Sunday:
A cloudy and dull day with occasional mist and drizzle. However, dry for much of the time and it will be mild. Southerly winds fresh around the coast. Maximum temperature 14 deg C (57 deg F).

Outlook for Monday to Wednesday:
Early rain on Monday, becoming drier and brighter from the west. Cloudy with occasional rain on Tuesday, then bright with a few showers on Wednesday. Breezy.
